COFFEE HOUSE 2023

Another successful coffeehouse! What a talented group of students at Leahurst! We were entertained all afternoon with beautiful music, skits, poems and comedy. A big thank-you to the Leadership Class for organizing the hot chocolate and treats!

TEACHER VS STUDENTS VOLLEYBALL GAME

The ultimate showdown between students and teachers was a nail-biter! Both teams were ferocious on the court, but the students showed off their ace moves and took home the gold! It was a contest of twists and turns, with the teachers snagging the first game. However, our young champs didn't give up and came back with a vengeance, winning the second and third rounds in a blaze of glory. Let's give a shout-out to our awesome referee and line judges who kept the game on track, and our amazing fans who cheered us on! Until next year, folks!

THANK YOU!

This month, Ms. Smith's PLF4M class organized a Food Bank Donation Drive to support our local community members facing food insecurity. Every can, box, or bag of non-perishable food items that you contributed will nourish a family in need and will also serve as a beacon of hope during challenging times.

Your participation in this initiative is a powerful testament to the strength of the Leahurst community and our shared commitment to making a positive difference.

Dream Big | Work Hard | Be Kind

Thanks to our amazing Leahurst community and to the students of PLF4M, we delivered 2 carloads full of groceries to the local Foodbank!
