BA Science / Honours
Osteopathy

Not only did Jacob win the prestigious scholarship, he also won the **Governor General's Academic Medal** for the highest academic mark in his graduating class.

Jake is heading to University of Toronto for electrical and computer engineering in the fall.

Schulich Leader Scholarship – Engineering

A top-tier Canadian STEM entrance award, the Schulich Leader Scholarship offers \$120,000 (in annual \$30,000 payments over four years) to entrepreneurial-minded high school or CÉGEP graduates entering engineering at one of 20 partner universities.

Eligible students must be Canadian citizens, demonstrate academic excellence, an entrepreneurial mindset (leadership, creativity), and preferably financial need, and plan a career in engineering, technology, entrepreneurship, or applied research. Schools nominate top candidates, with selection taking place at the university level early in the admission cycle. Winning not only provides major financial support and prestige but also connects recipients to a national network of innovators and mentorship opportunities.

Grade 6&7

END OF YEAR TRIP FRONTENAC PARK Grades 8 & 9

END OF YEAR TRIPS - BOSTON

Grade 10, 11 & 12

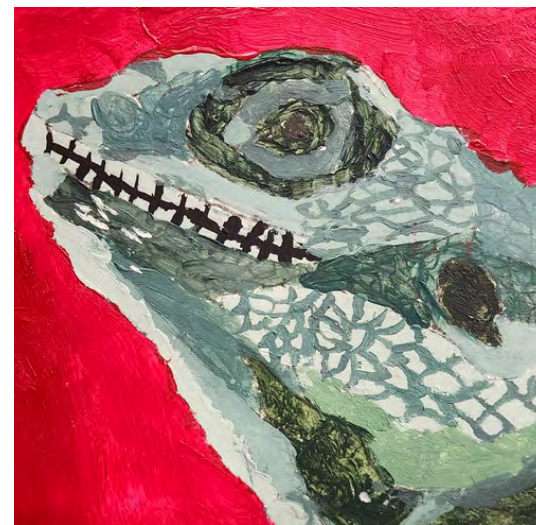

GRAD BRUNCH & FUNNY AWARDS

It's tradition at Leahurst, that after graduation, our newest alumni, hosts a brunch for the faculty. This year, they outdid themselves with a mouth-watering spread of fresh pastries, waffles (thanks to Chef Mike), fruit, cheese, and crispy bacon! As part of the celebration, the students present each teacher with a playful, funny award, such as "The Speedy Gonzalez Award" to Ms. Murphy for marking exams so quickly! Not to be outdone, the teachers hand out their own clever awards to the seniors. Adding a personal touch, each teacher received a lovingly gouache hand-painted card by Ani. These colorful keepsakes captured memories and laughter, making the gesture all the more special. It's moments like these, that make us realize how much we'll miss this incredible group.

GRADE 7 & 8 ART

Monochromatic paintings use a single hue, plus its tints, tones, and shades, to explore depth, texture, emotion, and form

FROM THE FACULTY - THANK YOU!

Thank you so much for the generous gift basket! It was filled with amazing, tasty, and thoughtful items, and we're all so touched by your kindness and generosity.

A very heartfelt thank you!

Ms. Fownes, Ms. Benson, Ms. Murphy, Ms. Turcke, Mr. Geale, Ms. Brown, Mr. Streight, Ms. Schneider, Mr. Mercer, Ms. Eadie, Mr. Turcke

AWARDS & GRADUATION

GRADES 7-12 SPECIAL AWARDS

Sunday, June 22, 2025

Arts Awards

Hey, my name is Daisy and I am currently in my first year at McMaster University.

I am running my own home maintenance business this summer through Student Works and would love to help you out with any projects you have coming up this summer, or anyone else you know who may need some work done.

Reach out anytime and I'd be happy to give you a free estimate!

HAVE A SAFE AND
AWESOME

Summer
