

LEAHURST REVIEW

UNIVERSITY ACCEPTANCES

Our list of university acceptances is far too long for this page- see page 2!

IN THIS ISSUE

- University Acceptances
- Leahurst student wins Loran Award
- Robotics
- Fundraiser Update
- Grade 10 Science
- Welcome Mr. Crawford
- Introducing...
- Grade 6 Science
- Rubik's Cube Competition
- Grade 9 Art
- Items to be picked up
- Calculus
- Showcase
- GrandParents & GrandFriends Day
- Summer Camps for Kids

UNIVERSITY ACCEPTANCES

Aadya

University of Ottawa (all engineering programs with CO-OP)
 Ryerson University
 Carleton University
 Queen's University
 University of Guelph
 University of Western Ontario
 McMaster University

Gavin Stevenson:

Queen's University (General Engineering)
 University of Ottawa (Mechanical Engineering with CO-OP)
 Concordia University (Aerospace Engineering; Aerospace Structures and Materials Extended Credit Program)

Kurt

Michigan State University (Civil Engineering)
 Michigan Tech (Mechanical Engineering)
 Western Michigan University (Mechanical Engineering)
 University of Ottawa (Mechanical Engineering)
 University of Iowa (Mechanical Engineering)
 University of Toronto (Mechanical Engineering)

Lucas

Carleton University (Architectural Engineering)
 University of Windsor (Architecture V.A.B.E)

Olivia

Olin College of Engineering
 University of Toronto (Engineering Science)
 Queen's University (Computer Science)
 McGill University (Software Engineering)
 University of Waterloo (Software Engineering)
 Columbia University (School of Engineering & Applied Science)

Ryan

Queens University (Mechatronics)
 University of Ottawa (Mechanical Engineering with CO-OP)
 McMaster University (Engineering with CO-OP)

Olin College of Engineering

Queen's University

UNIVERSITY of GUELPH

uOttawa

UNIVERSITY OF TORONTO

UNIVERSITY OF WATERLOO

University of Windsor

WESTERN MICHIGAN UNIVERSITY

*this list may not be complete, as some students are still waiting for acceptance letters

LORAN
Scholars Foundation

CHARACTER
SERVICE
LEADERSHIP

5,174 students from 1400 schools across Canada applied for this award.

We are pleased to announce that **Olivia O'Driscoll** has received
the prestigious Loran Award

Well done Olivia!

The selection of a Loran Scholar is unique in its attention to a young person's character. They believe that integrity, courage, grit and personal autonomy are better indicators of overall potential than standard academic measures. To discover these traits, they administer the most comprehensive and thorough scholarship selection process in Canada. Tenable at 25 partner universities, the Loran Award is valued at \$100,000 over four years, including mentorship, funding for summer internships and participation in an extensive network of past and present scholars.

Olivia has also been accepted into Olin College in Needham MA. MIT - **Massachusetts** Institute of Technology has named "Olin College of Engineering, along with MIT, as the top leaders in engineering education globally." (click to read the article)

Olivia has also been accepted to the prominent
Columbia University in New York City.

ROBOTICS

Kingston had a very strong showing on the robotics front this past weekend. Machine Mavericks won York Day 1, and W.A.F.F.L.E.S won Waterloo Day 1. Congratulations to all, and a special shout-out to our Leahurst students on the teams - Olivia, Gavin, Lily, Meaghan and Ryan!

BURSARY FUNDRAISER UPDATE

Thank you, Leahurst Community!

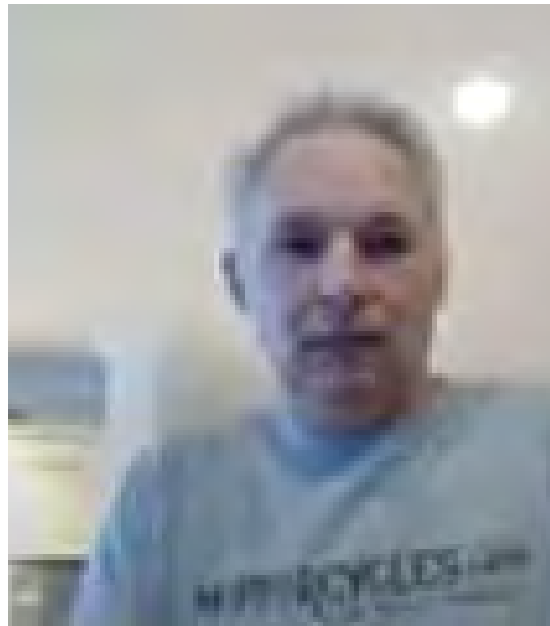

Back in October, the Fundraising Committee decided to take the Annual Fundraising Dinner in a different direction and offer a virtual cooking evening with well-known Chef Clark Day. The result was a fun and highly entertaining evening with Chef Clark where in the end, we all had a messy kitchen and enjoyed a delicious meal. Rounding out the evening was our live auction and entertainment from some very talented Leahurst students. Thank you for joining us for our first-ever virtual evening...we hope you had as much fun as we did! Thank you also for being such a generous community. The Cook with Clark evening, live auction and the online MaxSold auction, raised over \$14,000 for the Leahurst Bursary Fund! Stay tuned for our next exciting event!

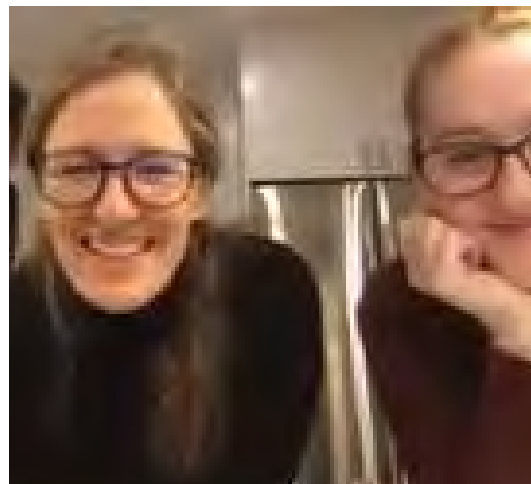

Victoria, Kasia, Cynthia, Jen and Helen
The Leahurst Fundraising Team

Cook with Clark - Snapshots from Zoom

Apologies for the poor quality of pictures - hard to get good ones from Zoom

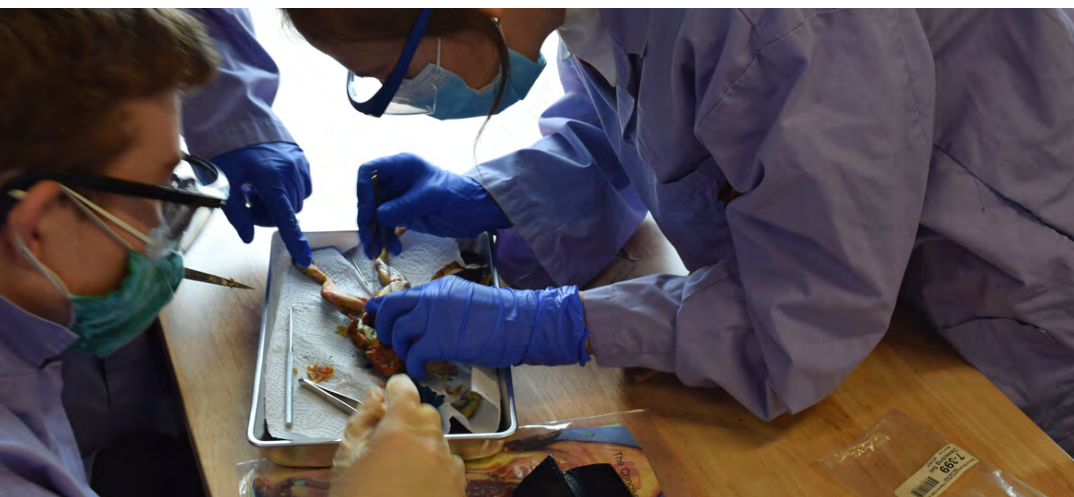

GRADE 10 SCIENCE

SPECIAL GUEST LECTURER

Special guest instructor Dr. Sanjay Sharma, eye surgeon and Professor at Queen's, guided the Grade 10 Science Class through a frog dissection. The students tried reproducing the surgical skills he showed the class - removing the liver from the frog and identifying many of the organs.

WELCOME MR. CRAWFORD

PHYSICAL EDUCATION

Mr. Crawford is no stranger to Leahurst, as he has been involved with the school for many years as the father of two Leahurst students, one of them having already graduated and moved on to university.

On the professional side, Mr. Crawford is a certified Personal Trainer and Life and Wellness Coach. He is passionate about making exercise accessible and relatable, and getting people moving, both physically and figuratively.

You will also be interested to know that Mr. Crawford is a sailor, a Rotarian, and is the current President of Toastmasters at St. Lawrence College.

Our Grade 5s and 6s are loving their ukuleles. They are now practising at all times of the day.

THE LEAHURST COOKBOOK

2022-23 represents a very exciting time for Leahurst College, as it marks our 10-year anniversary!

Ten years would not have been possible without the participation and support of the amazing students and families who make our community what it is.

To honour this milestone, we are creating a Leahurst Cookbook, made up of favourite family recipes that, like Leahurst, have brought people together to share in an experience of creativity, comfort, and communion.

We need your help!

Do you have a favourite recipe that is part of your family traditions? A family favourite that you make every holiday? Something you make regularly for your family dinners?

Send it our way!

Please upload your special recipes, with any photos you might have of them being enjoyed to our google form:

[Click here](#)

<https://forms.gle/mKbqpuWYoygxZM6u6>

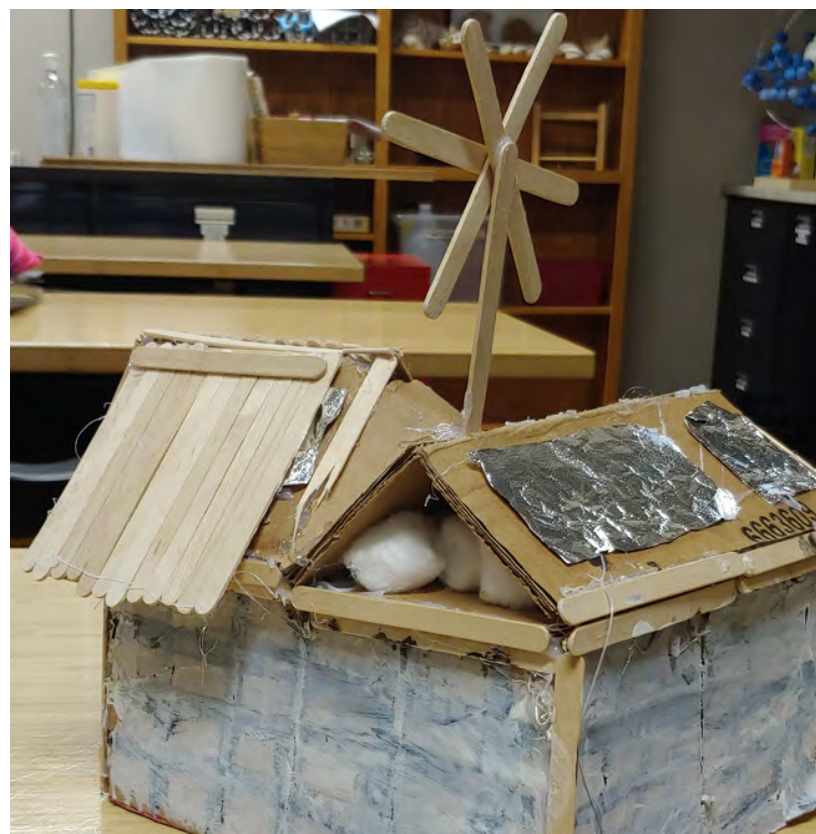

We aim to have this Cookbook available this fall.

GRADE 6 SCIENCE

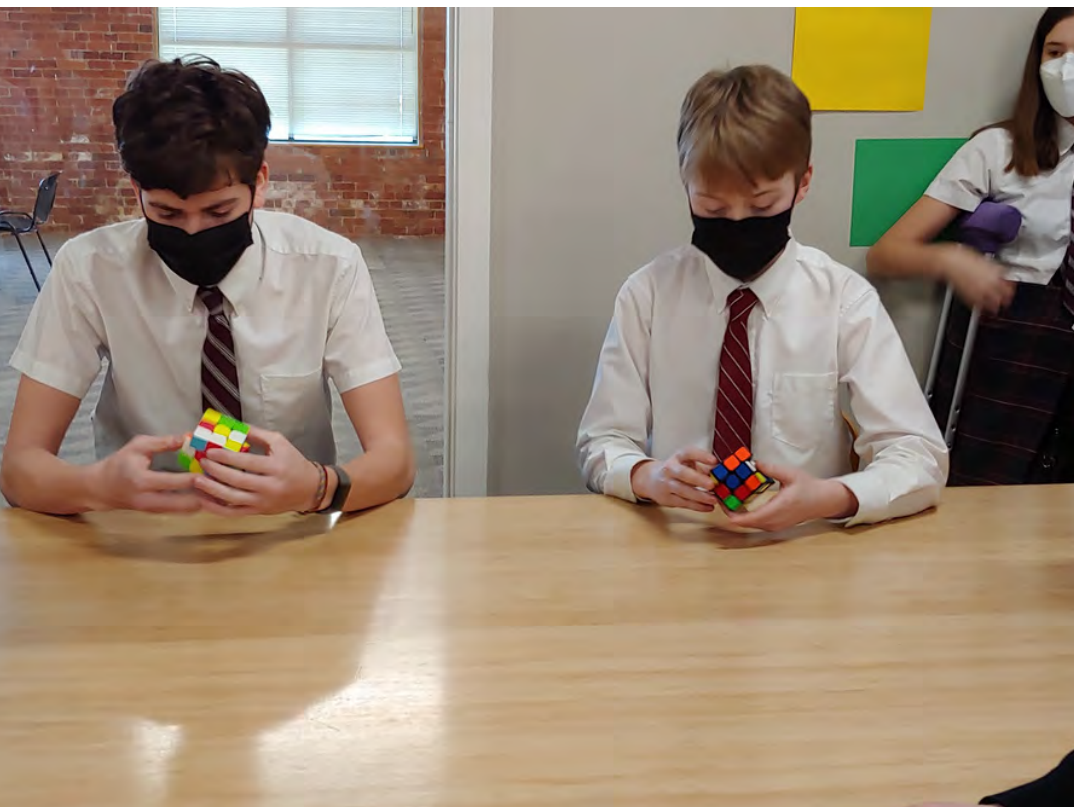

In Ms. Murphy's Grade 6 science class, students researched materials and supplies used to make homes efficient at generating and maintaining heat energy. They made models of their ideal houses for heat production, transfer, and conservation.

RUBIK'S CUBE COMPETITION

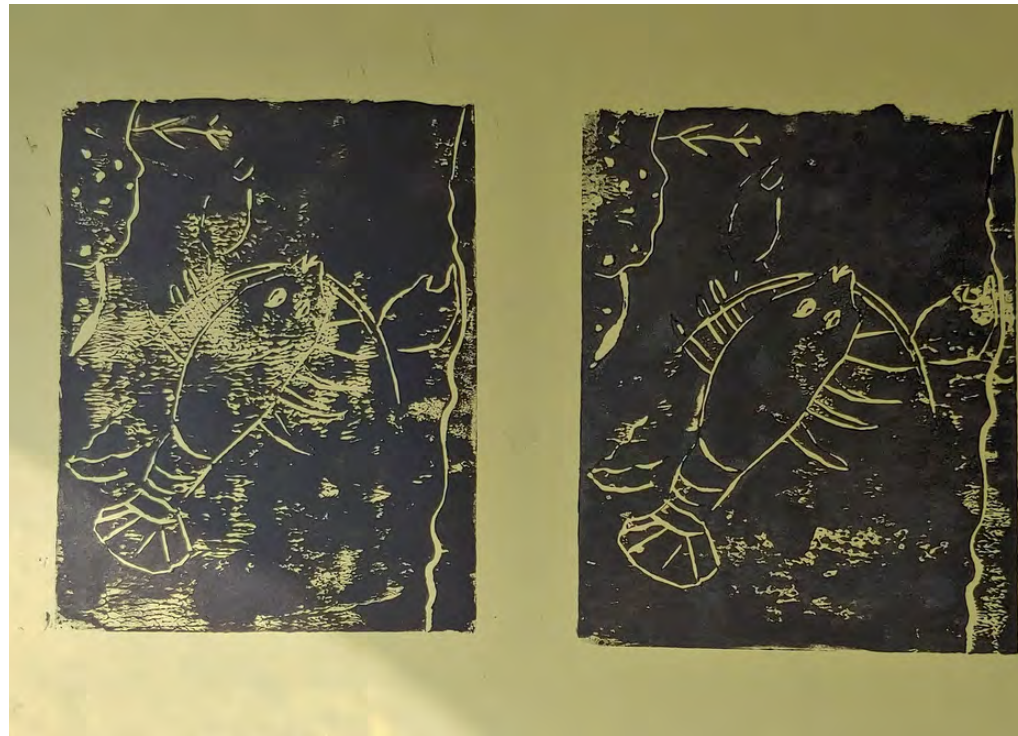

The atmosphere was electric for our first annual Rubik's Cube Competition. Congratulations to our winner, Josh, and to Harper as our runner up!

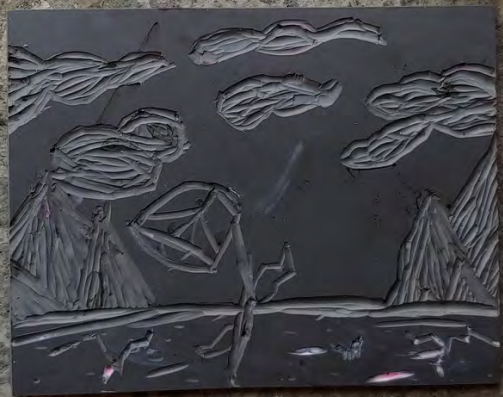

GRADE 9 ART

The Leahurst Grade 9 class is learning about relief printmaking techniques. Here students are shown printing with linocuts for their final assignment.

Printmaking is fun and satisfying because all you need is one template to make hundreds of prints!

PRINT MAKING

Did you purchase more than just the
"Cook with Clark Dinner"?
Did you pick up your bag?
If not, we have your Farm Boy gift bag in our office.
Please pick up your gift bag anytime between
8 AM & 4 PM at the main office in the
West Wing before April 14th.
After this date, your treats will be donated
to a good cause!

We do have a few items left...chocolate-covered
pretzels and chocolate-covered sponge candy. If you
wish to purchase any, they are
\$5 per bag.
Contact the main office to purchase.

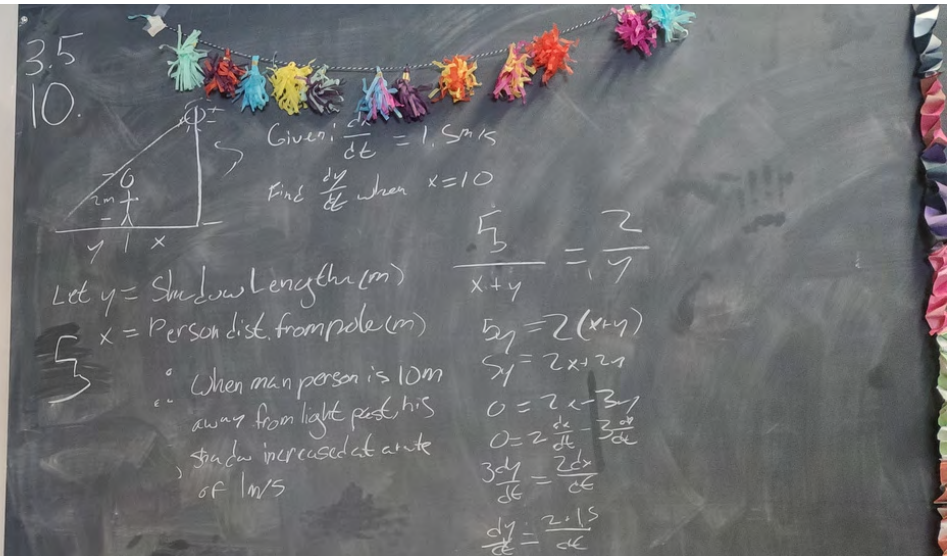

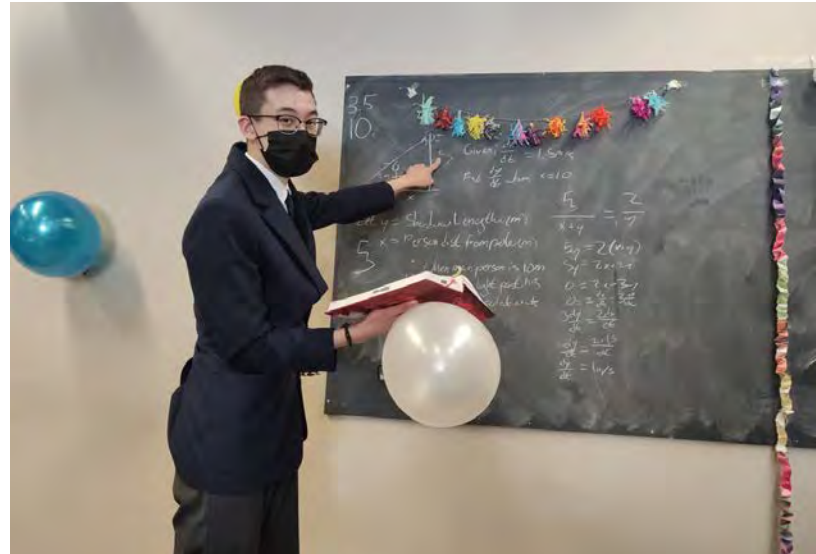

DID YOU KNOW...

Leahurst Charitable Foundation supports educational excellence by providing financial assistance to deserving and eligible students registered at Leahurst College High School. The organization also advances the educational goals of Leahurst College High School by supporting activities, equipment, and pedagogical aids that promote learning, social engagement, and personal development of its students.

CALCULUS & VECTORS

Ms. Schneider always likes to celebrate numbers! This time it was Kurt's 18th birthday.

HAPPY $3 \left[\frac{6!}{8} - 41 \right] +$
 $\log(10) \int_2^4 x \sqrt{x+3} dx - \frac{647}{5}$

SHOWCASE

2022

WEDNESDAY, MAY 11
7:00 PM - 8:30 PM

OCTAVE THEATRE

711 DALTON AVE, KINGSTON ON

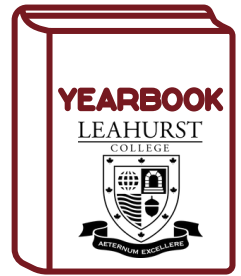

DANCE | VOCALS | POETRY | COMEDY | THEATRE | MUSIC

WE ARE PLEASED TO BE IN-PERSON FOR THIS YEAR'S SHOWCASE.

LEAHURST  COLLEGE

PICK UP YOUR 2020-2021 YEARBOOK

We still have some 2020-2021 Yearbooks to be picked up. If you haven't picked up your copy, please stop by the main office in the West Wing.

TAMPON TUESDAY

Annual Tampon Tuesday donation drive encourages community to donate menstrual hygiene products for individuals in need

Starting March 1 and running until March 31, 2022, community members are encouraged to donate pads, tampons, liners and other menstrual hygiene products. The donation drive aims to fill a gap in the Kingston Frontenac, Lennox & Addington area.

A very big thank you to the Leahurst Community. We asked, and you delivered oodles of products that will be given to agencies in need. Thank you to the organizing students, Kara and Charlotte!

GrandParents & GrandFriends Day

**GRADES 5-7 | WEDNESDAY, MAY 11
&
GRADES 8-12 | WEDNESDAY, MAY 18**

**1 PM - 3 PM
4 CATARAQUI ST, KINGSTON ON**

IN PERSON OR VIA ZOOM

**PLEASE CONFIRM ATTENDANCE BY EMAIL OR PHONE
EVENTS@LEAHURSTCOLLEGE.CA
613 767 9201**
