# GRANDPARENTS' & GRANDFRIENDS' DAY

Thank you to everyone for making this GrandParents' and GrandFriends' day so special!

See you next year!

# LEAHURST ROWING

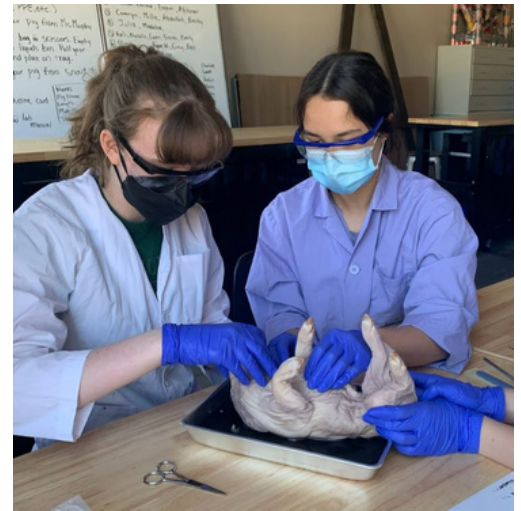

Good luck to our Rowing Team! They are off to the Canadian Secondary School Rowing Championships in St. Catharines ON | June 3rd - 5th

# ENRICHMENT DAY

Ms. Murphy leads the students in a fetal pig dissection. Using fetal pigs is helpful for anatomy studies because the size of the organs makes them easy to find and identify. It is also relevant because a lot of the internal anatomy is similar to humans!

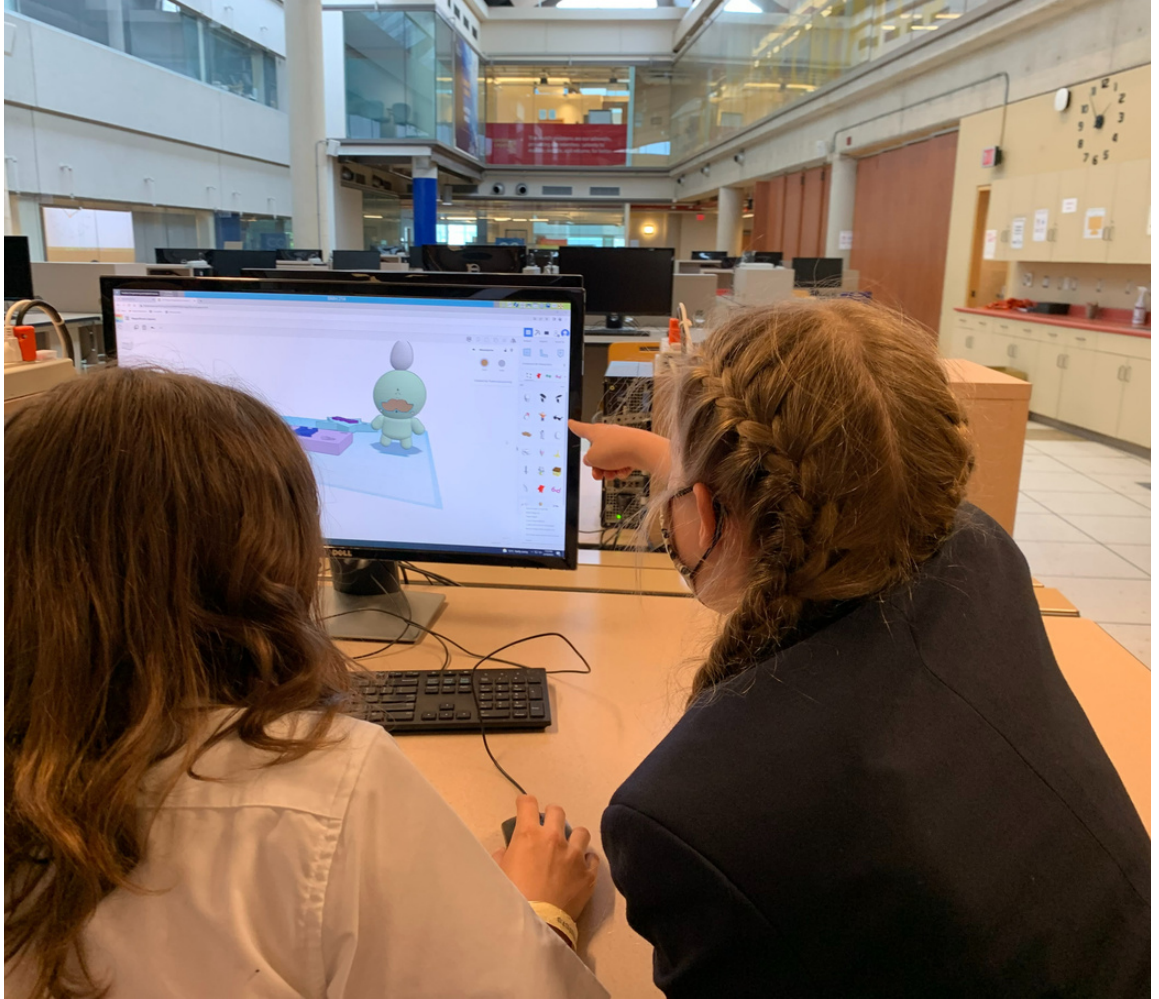

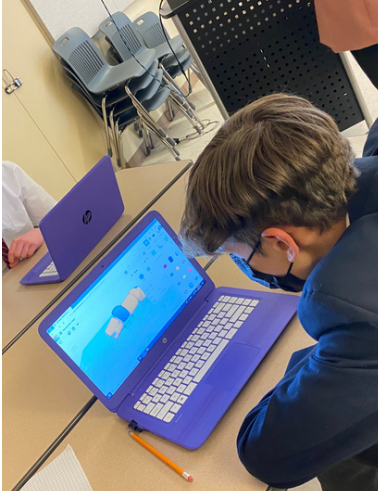

# ENRICHMENT DAY

Our Grade 9s went Rock Climbing at the Boiler Room.  
Obviously, no one is afraid of heights!

# ENRICHMENT DAY

Queen's University hosted an engineering workshop for our Grade 8 Leahurst students. They used TinkerCad to make 3D models. Tinkercad is a web app that equips the next generation of designers and engineers with the foundational skills for innovation: 3D design, electronics, and coding!

# LUNAR ECLIPSE

Thanks to Ryan W for this awesome photo!

**RYAN W**

"I set my camera up on a tripod and set my shutter speed to 30s which means that the camera is taking the photo over that 30-second span which allows lots of light to be taken in and for the photo to look how it did.

I took about 120 photos and that was the only one that fully worked out."

## **DID YOU KNOW...**

The first lunar eclipse of 2022 took place on May 15. A total lunar eclipse happens as the full moon moves into the deep umbral shadow of the earth.

The next one will take place on November 8, 2022

# FORT HENRY HILL RACE

There were over 900 runners in the Cross Country Race at Fort Henry Hill!  
Leahurst College was well represented with runners from  
Grades 6 to 8!

Coach Rappaport was incredibly proud of all our runners! Thanks to Ms. Turcke, Mr. Turcke and Mr. Mercer for supporting and leading the running warm-ups. Congratulations to all!

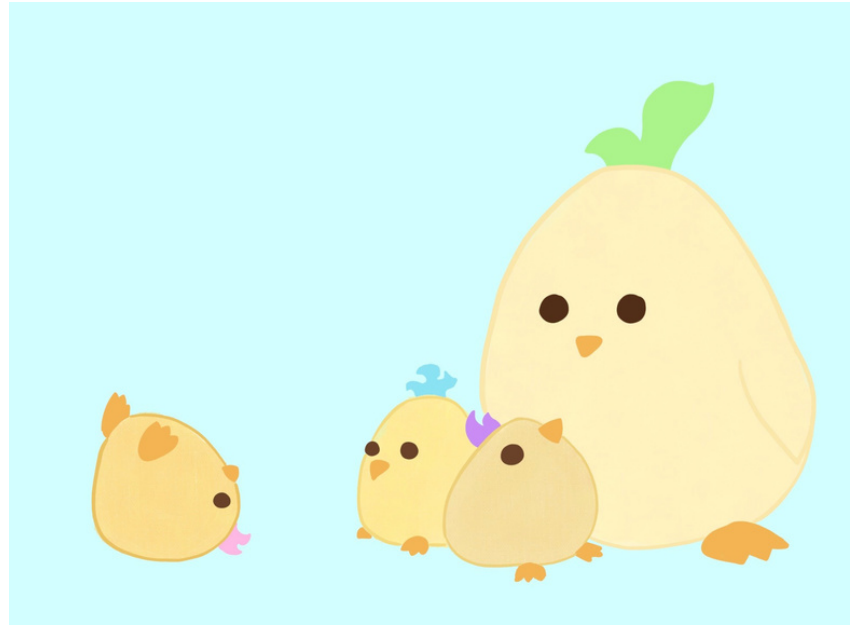

Our runners: Raina, Xavier, Kalen, Ella, Jack, Daniel, Kjell, Avery, Angus, Saki, Bode, Hunter, Kayden, Agneya, Vincent

Honorable mention goes to the senior boys' group who had 4 runners in the top 30, and to Angus who came 9th out of all 125 runners in his race!

# PHOTO & ART CONTEST

**BABY LAMB**

**GALLUS GALLUS DOMESTICUS**

We are pleased to announce that there was a tie for first place in our Photo & Art Contest.

Congratulations to Tessa (*Gallus gallus domesticus*) and to Kjell (baby lamb). Cuteness and talent all around!

## DID YOU KNOW...

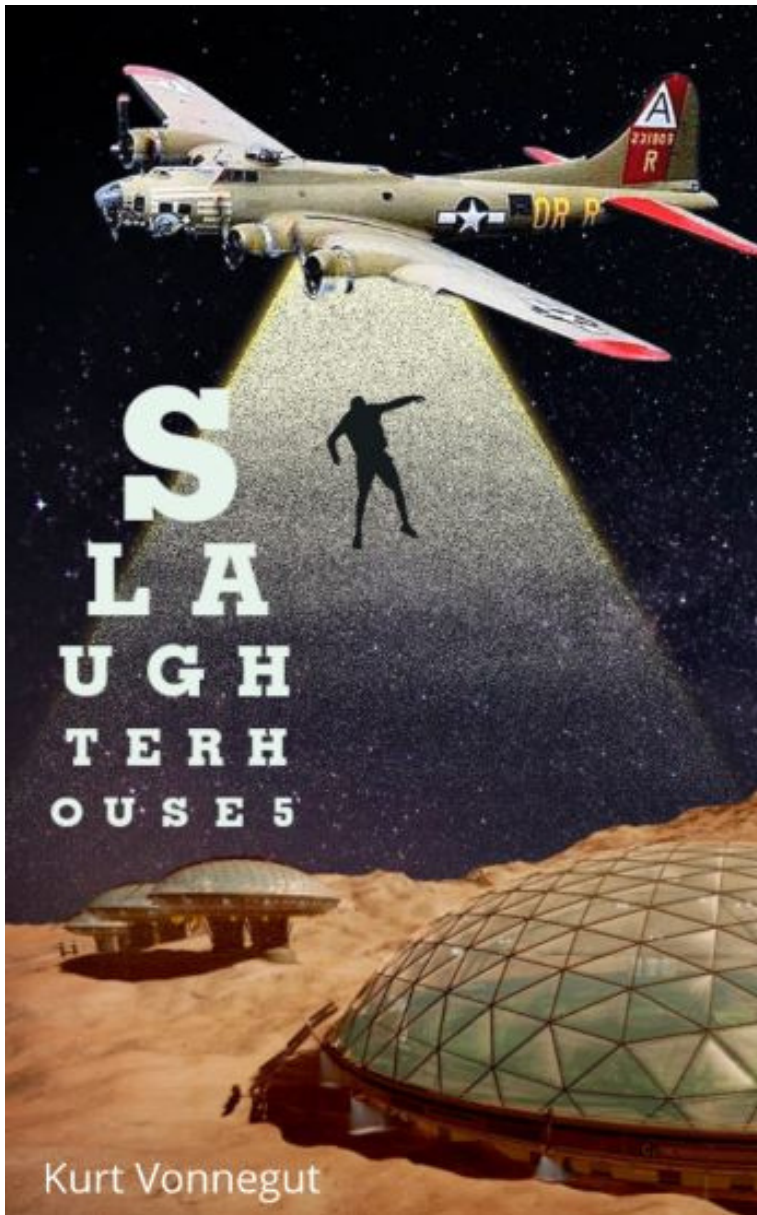

- *Gallus gallus domesticus* or *Gallus domesticus* (aka - chickens) are the most common domestic animals worldwide.
- The early 21st century mitochondrial DNA data suggest that various red junglefowl (*Gallus gallus*) subspecies are the wild ancestors of the domestic chicken. However, more recent genomic data reveals that *Gallus gallus spadiceus*, indigenous to northern Thailand, Myanmar, and southwestern China, is its main wild ancestor.
- Hens can lay up to 300 eggs per year

# GRADE 12 ENGLISH

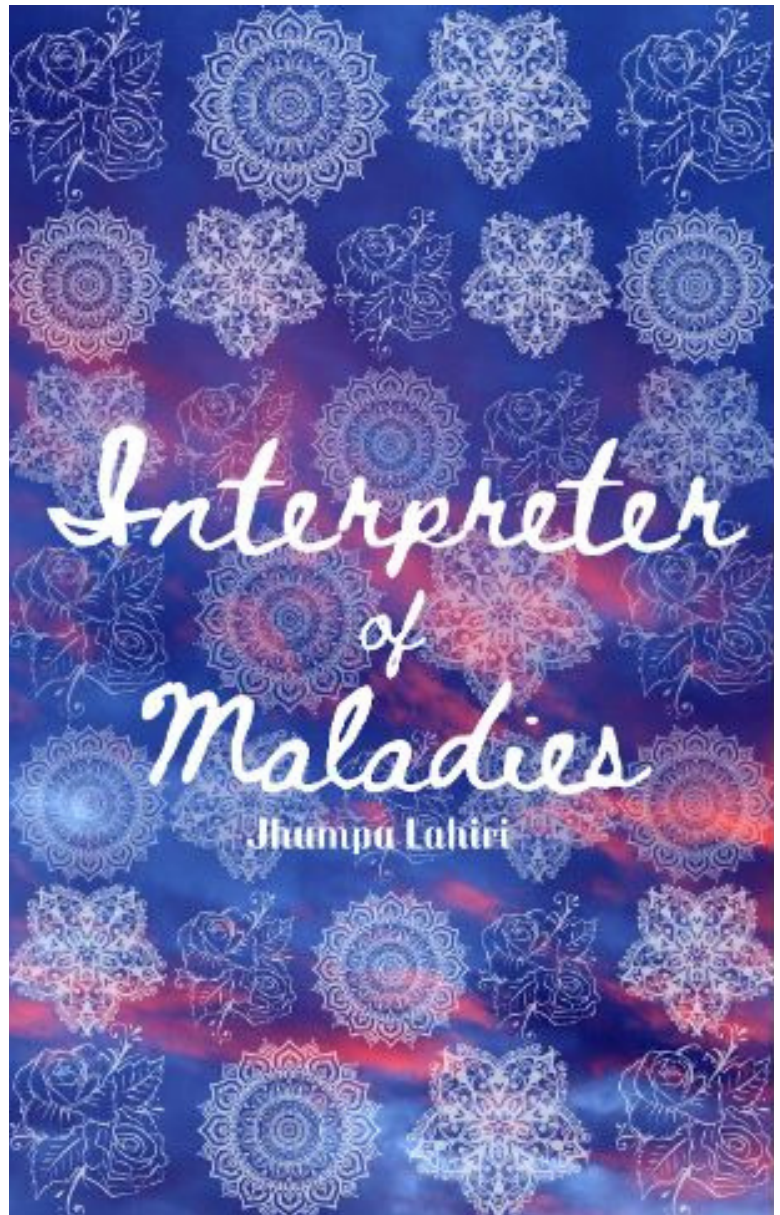

**Guess which of these book covers were designed by our students?**

**Trick question: they all were.**

For part of the Media Studies unit of their final English evaluation, our Grade 11 and 12 students were asked to create a book cover for their chosen novel, applying a range of conventions. As you can see, our students excelled at the task, creating truly professional-quality covers.

# HOODIE WEEK AT LEAHURST

Every year at this time, the graduating class is encouraged to wear their new school's "University Hoodie".  
The faculty wore theirs too!

# A NOTE OF THANKS

*During the month of March, Lehurst students and families donated a large number of feminine hygiene products for the United Way. Here is the lovely letter we received.*

---

On behalf of United Way KFL&A, together with Shoppers Drug Mart, Bell Media, and local Labour partners, we would like to thank you and the entire Lehurst College student and staff team for your generous support of our community's third annual Tampon Tuesday collection drive.

Menstrual hygiene products are among the most requested items at local food banks and shelters, yet they are the least donated. Thanks to the tremendous support of workplaces like yours, this year's Tampon Tuesday drive was an amazing success, with more than 134,000 menstrual hygiene products being collected!

All of the menstrual hygiene items have been distributed to various agencies throughout the KFL&A region, to be provided to clients and individuals most in need in our community.

Thank you, once again, for your local love and support of this much needed initiative. We look forward to our continued partnership for this very important initiative and next year's Tampon Tuesday event.

Sincerely,

Kim

# FROM THE UNIFORM SHOP

From time to time, uniform pieces get misplaced or lost. It is always a good idea to put your name on your blazer and other items, such as sweaters, coats and vests.

The easiest way is to write on the back tag with a marker as per the example below (either on the back tag or the inside pocket).

## MISSING

Please check your blazer inside pocket for initials "DD".

If you have picked this up accidentally please return it to the main office in the west wing.

# THE LEAHURST COOKBOOK

2022-23 represents a very exciting time for Leahurst College, as it marks our 10-year anniversary!

Ten years would not have been possible without the participation and support of the amazing students and families who make our community what it is.

To honour this milestone, we are creating a Leahurst Cookbook, made up of favourite family recipes that, like Leahurst, have brought people together to share in an experience of creativity, comfort, and communion.

We need your help!

Do you have a favourite recipe that is part of your family traditions? A family favourite that you make every holiday? Something you make regularly for your family dinners?

Send it our way!

Please upload your special recipes along with any photos you would like to share to our Google Form:

The Cookbook will be available this fall.
