# Loran

## Applications for the 2024 Loran Award are open

The Loran Scholars Foundation is offering up to 36 Loran Awards to graduating high school students entering university in the fall of 2024.

The only award of its kind in Canada, the Loran Award ([www.loranscholar.ca](http://www.loranscholar.ca)) is valued at more than \$100,000 over four years of university undergraduate studies, including an annual stipend, matching tuition waivers, mentorship, funding for summer work experiences, and participation in an extensive network of past and present Loran Scholars. Selected on the basis of strength of character, commitment to service, and the potential for leadership, Loran Scholars are young people who are humble, inquisitive, and thoughtful; who shun the status quo and pursue unique paths; who collaborate and bring others along; and who will act in the face of injustices to build a better future for all.

Please see Ms. Turcke if you want to apply for this prestigious scholarship.

There is a Leahurst Club for everyone! Check them out!

# AP Exams

As some of you may know, Ms. Murphy is the school's AP Coordinator. This means she can help you register, organize, and research for AP Exams. Typically these exams are taken by our Grade 10-12 students, depending on which exam they are taking.

Please follow the link below for more about AP:

Please follow the link below for the AP exams/dates offered this year:

If you are interested in an exam or would like to discuss, please connect with Ms. Murphy.

If you want to take the SAT exams, please reach out as well.

If you are a returning AP student, let her know which exam you want added to your registered account.

# Volunteers Needed

Start2Finish is a not-for-profit organization running after-school programs with an emphasis on social emotional learning skills, fitness and literacy. It runs in more than 75 under-resourced communities across Canada.

Start2Finish is hoping that some Leahurst students may be interested in supporting one of their programs this school year.

They have several opportunities:

Virtual Opportunities: Brainworx! 10-week commitment (90 minutes/week) and other virtual programs...

AND

In-Person Opportunities: Running & Reading Club! October to end of May commitment, 2.5 hours per week (3 school locations in Kingston)

They will provide training and support when you become a volunteer. Here is where/how to apply to become a volunteer at Start2Finish.

Our Lost and Found bin is located in the West Wing Room AB near the piano. Please check here first if you have lost anything. If you find something, please place it in the bin. There are lots of items left over from Camp Oconto!

Have you put your name in your blazer? It is always a good idea to do this just in case you misplace it. We also suggest you leave your blazer in your locker. :)

**NOTE:** Please check the blazer you have to be sure it's yours!

Are you interested or know someone who may be interested in providing homestay for our Leahurst students?

Please connect with Ms. Andrews for details.
